Brief description of the activities the scholar performed or participated in:

I contributed to the writer's team by crafting an article on local news that highlighted the severe destruction in Lebanon and the ongoing hardships faced by its people. Additionally, I completed a USAID project (Bundle #43), conducting research on nine different topics and developing a PowerPoint presentation based on them. I also worked on a task where I compiled 12 tips to improve social media campaigns focusing on the connection between diet and mental health.

Written feedback about the scholar's performance:

Bader has made valuable contributions through his writing and research efforts. His article on local news issues reflects his awareness of social challenges, while his work on the bundle project strong research and presentation skills. Additionally, his tips for enhancing social media campaigns highlight his analytical thinking and practical application of research findings.
