Brief description of the activities the scholar performed or participated in:

Ali is part of our research team. He needs to conduct some research on topics that the supervisor of the research team has assigned to him.

Ali did a research about “What are the key features of team collaboration tools”

Written feedback about the scholar’s performance:

Ali displays a good foundation in research skills and shows potential in information gathering and analysis. Though his contributions are still developing, his ability to start exploring topics with focus reflects a growing aptitude for critical thinking. With further opportunities, Ali can strengthen his attention to detail and engagement with complex subjects.
